Important Notice

Dear Valued Customer,

Due to the remaining 25% import tariff on our product lines from China, we have to continue adding 15% tariff surcharge on our 2020 net prices.

Based on your regular **NET** price, please add additional 15% tariff to your prices.

However, we are able to get a few items exclusive from tariff. You may use your net price without tariff as your final price. Please refer to the below item list.

If the US Government decreases or eliminates the importation tariff, we will make adjustments accordingly. Thanks very much for your understanding. Please do not hesitate to contact us if you have any questions. We appreciate your business and we will make every effort to serve you better.

Sincerely,

Everyday Restaurant Furniture, Inc.
